

Thank you for booking your vacation with GototheMouse.com, an Independent Associate of Cruises and Tours Unlimited. We truly appreciate your business. This letter is to help us provide you with the best possible vacation.

Here is our checklist to make sure everything goes as smoothly as possible.

1. Bring a valid ID

Make sure you have proper ID for your trip.

- If flying domestically, you will need your driver's license to check-in at the airport. Guests under the age of 18 do not need ID for air travel.
- If you are taking a closed loop cruise out of the country, all guests will need to have a passport or a certified copy of their birth certificate from their state's Division of Vital Records plus their driver's license or government-issued photo ID for guests 16 and older.
- Hotels require a photo ID at check-in.
- International travel by air requires a valid passport for ALL guests.

2. Reconfirm all flights (if applicable)

If you are flying, please confirm your flights prior to departure as a part of the online flight check-in process. It is not uncommon for airlines to have a schedule change that may mean your flight is leaving earlier or later than originally expected.

3. Contact Us

If you have any problems, please contact us. During your trip, we are available in addition to the resort/cruise manager. We will also follow-up after your return home. Your feedback is greatly appreciated.

Again, thank you for choosing GototheMouse.com and we hope your travels are magical!
